NOTE TO ALL REGARDING THE SYLLABI

¡OJO! Remember that the syllabus contains important information, particularly about your responsibilities in the classroom and the grading criteria for the course. You may be tempted to skip over some sections, but please make sure to read all sections carefully. In the first couple of weeks of the semester, you’ll be required to sign a sheet affirming that you’ve read the syllabus carefully, that you understand the information that it contains, and that you agree to abide by the criteria it sets forth. Please make sure that you do. If you’re confused about any information in the syllabus, please do not hesitate to ask me about it. GRACIAS. ☺
