IMPORTANT NOTE REGARDING THIS ASSIGNMENT

• The Connect site contains the e-textbook, as well as all homework instructions and assignments.

• One of your first homework assignments (due by the second day of class) is to enroll in Connect.

• You do NOT need any money to enroll; free two-week courtesy trial periods are available.

• See below for instructions to enroll in Connect.
Get Started in 4 Easy Steps!

1. Click on the appropriate link below (slide 3); then, click on “Register Now.”

2. Enter your e-mail address. (You may wish to use your primary e-mail, as your Connect subscription may last beyond your time at OCC)

3. Click on “Start courtesy access” to begin a courtesy trial period.* (You may enter an access code if you’ve already purchased one; note, however, that once you use the code, it is non-refundable and non-transferable.)

4. Complete the registration form and click “Submit” – assignments are on the main page; click on “Library” to access the e-textbook.

*All work completed during the courtesy period will be saved and will continue to be available to you once you upgrade.
